**Project Connect, Inc.**

*Teaching Communication Skills to Change the World,  
One Conversation at a Time.*

Dear Parents,

We are excited to have begun teaching your child this afternoon. Project Connect, Inc. is a non-profit, tax exempt 501 (c) (3) organization that brings communication training to children, teens, educators, mentors and families. Our mission is: "To empower children and families to build better relationships, brighter futures, and a better world through social-emotional competency and clear communication." We began operating in 2005 and the first pilot test of our curriculum was delivered by Dave Kasan and Jan Lee right here at Forest Hills Presbyterian Church!

The classes your child will experience over the next 8-10 weeks use an enhanced version of our tried and true curriculum. We will be asking your child to evaluate each module as we go, and their feedback will be used to determine the applicability, effectiveness and palatability of the program. In addition, your child has taken, and will take again at the end of the program, a 16 question inventory that will give us data to measure change in confidence levels in their ability to communicate.

The program your child is beginning is extraordinarily important. The feedback and data we gather will help us fine-tune the program for maximum effectiveness. The Boys and Girls Clubs of America are waiting for this data so that we may bring the program to the children they serve. Many other organizations will benefit as well.

To that end, we ask that attendance be regular. We will not be able to repeat a lesson missed. We are so dedicated to seeing your child here every Sunday; we are holding a drawing for a gift-card every week!

Dave Kasan, Pam Sica and Jan Lee are all part of the Project Connect team and will be leading the classes. We will be sending home a synopsis of what your child has learned every 2-3 weeks, but if you have any questions at any time, please don't hesitate to contact us.

The Academy division is for those riders who have never shown in an A circuit show. Once you have cantered in academy you cannot go back to walk and trot. Helmets are required for riders 17 and under due to new congressional bill passed in 2010.

**ACADEMY HORSES:** Horses in academy classes MUST be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics of such. Horses will be excused from the competition for unsafe behavior such as going too fast for a rider to handle. Horses are not to be judged, soundness is not to be considered.

**TURN OUT:** Required is a plain shod horse, 1 therapeutic pad allowed. No braids or artificial appliances are to be used. Hoof blacking is optional

**TACK:** Horses may be shown in a snaffle bridle with a martingale or german martingale, pelham or full bridle. Saddles must be cutback English saddles. No tie downs or blinkers allowed.

**RIDER APPOINTMENTS:** Saddleseat Jodhpurs, boots, button down shirt, tie, and gloves required. No derbies but helmets are encouraged. Whips and non-rowled spurs are optional. Long hair must be secured back in bun or braid.

**ACADEMY EQUITATION** is judged on the rider's basic equitation skills with correct diagonals and leads, proper use of ring is considered.

**ACADEMY SHOWMANSHIP** is judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. Promptness in finding the correct leads are important as well as the rider's command of the horse, for example, speed, collectiveness, and placement in the ring. Diagonals not to count.

**CLASS RULES:** Headers allowed in if needed for safety, no towels or whips allowed in with them. Classes will be split at the 9th rider. Splits will be shuffled to keep equitation and showmanship back to back (i.e.: 1a, 2a, 1b, 2b) Class holds will be 2 minutes in length. NO EXCEPTIONS. Holds must be requested 10 minutes before the academy session begins. Gate times will be strictly enforced and as one class exits the next will promptly be called. PLEASE COME PREPARED FOR TIGHT SCHEDULE

**NOVICE CLASSES:** for each age division and for riders who have not received 3 blue ribbons in academy.

*Please direct all questions to horse show manager or the UPHA Chapter 16 representative. Any unsafe behavior exhibited in the warm up area will also cause the horse/trainer to be excused from the competition.*
